## Cover Letter

**Dear Manager,**

It's time to think about what Chess or Draughts competition your school wishes to enter this coming season ! All of the competitions run between December and April, with National Finals already planned.

**NEW !** Have a look at our Internet Chess competition (play over the Internet), and Celtic Challenge (a competition internal to your school)

**FREE:** 'Swissperfect', the tournament software used in most competitions. Enter any League and we will show you how to get this software free – normally worth 50 USD !

**Chess:**

With Chess there are two main competitions..the CheckMate and ChessZ. Please see the enclosed leaflets for each.

**Draughts:**

We continue with this modest but important competition, and this season the Finals will be held in Limerick. Please see the enclosed leaflet.

**Chess Supplies:** One of our main activities is the sale of Chess equipment to Schools. Please see the enclosed leaflet. None of these items are currently for sale in Irish Shops.

**Beware of False Leagues:** It's coming to our attention that some groups offer National or Provincial or County Leagues: Yet they only invite a handful of schools to take part. How fake is that ? Ask them if you're not sure. We invite all schools – we're different. This letter is being sent out to 730 Secondary Schools.

With kind regards,

*John Alfred*
