*Announcing* “**National CheckMate (2020)**”

***Congratulations to the St Marys BNS, Haddington Rd, D4 team on winning 2018-2019, and to Yubo Wang from the same school, who is Irish CheckMate Champion !***

Dear Teacher,

For the **Twenty-Second** time! we are pleased to invite your school to enter NATIONAL CHECKMATE. This is the oldest and major nationwide chess competition for children.

**National CheckMate** will again be run on a local league basis with section winners advancing to a national finals tournament. All teams will play four matches or less, (e.g. two at home and two away), entries permitting. The first round will be held in January, with the full league draw, playing schedule, competitor contact details and a results sheet being sent to you beforehand.

To help us arrange each league in a ‘geographically tidy’ way, you **may** be allowed enter one extra team for free. This team **may** be used by us to arrange a league so that distances between participating schools are kept to a minimum. (In reality only one or two teams per region get accepted free). National finalists will be invited to take part in a half day, 5 or 6 round, tournament with trophy and medal prizes. Again teams will consist of four players (Boys and/or Girls). **Entry Fee: €50 per team**

**CheckMate Finals:** To be announced on our website, [www.ChessZ.net](http://www.ChessZ.net) for May.

To enter, please complete the form below and post to ...
